## Tampa Bay Aviation Association

C/O PO Box 22782  
Tampa, FL 33622

Dear Business Aviation Professional:

The Tampa Bay Aviation Association (TBAA) was formed to represent the business aviation interests in the greater Tampa Bay area. TBAA's focus includes: keeping its Members informed of issues affecting Business Aviation within our region; promoting safety; educating the general public and government officials; advocating the benefits of Business Aviation; and conducting business, informational and social events for its Members. We strongly encourage you to join this effort.

Business Aviation is thriving, but it also faces serious safety, access and security challenges. Your Membership, support and involvement in the TBAA will help meet those challenges at the "grass roots" level. And success at the "grass roots" level in the Tampa Bay area could also pave the way for more successes across Florida and the country.

Membership in the Tampa Bay Aviation Association is open to both individuals and organizations with dues structured at nominal levels. Please take few moments to fill out the attached Membership application and send it back via postal mail, fax, or email. Need more information about the TBAA, Please give us call at (407) 257-0857 or contact us at [DSLapo@CorporateFAInsider.com](mailto:DSLapo@CorporateFAInsider.com).

We look forward to having you as TBAA Member.

Sincerely,

Vic Slacter  
President
